If you are a CCSI, please verify your required score with the information on the CLP website.

- The Cisco Career Certifications Tracking System permits you to see your exam results and all of the demographic information you provided when you registered for an exam. It gives you the ability to track your certification progress and correct any errors in your demographics. *When you earn a certification, your certificate will be sent to the address we have on file and printed with the spelling of your name as listed in the Tracking System. Please allow 6-8 weeks for delivery of your certificate. If you selected an electronic certificate it will be sent to the e-mail you provided within 3 to 5 business days.*
- Go to: www.cisco.com/go/certifications/login and follow the instructions. You'll need information from this document. Please allow **10 days** for Cisco to receive your exam results.
- Certifications Community Site Now Live. The community provides a forum where certified individuals can gather information on certifications, lifelong learning and networking related topics. The community requires a Cisco.com log-in and password and is only accessible to customers with valid Cisco certifications. Certified individuals may visit the site at www.cisco.com/go/certcommunity

The following report shows your performance in each section of the exam:

The Certification Exam Policy webpage (www.cisco.com/go/exampolicy) provides a single resource to key certification policies, agreement(s), and the CCIE policy page for information specific to the CCIE program. Please consult this section for current information on program policies for Cisco Career Certifications exams.

The scores below are not cumulative.
